

# Help! We need YOU to create a superhero!

We think that mining machines are pretty super! Can you help us transform one of them into a superhero character? First discover the rocker shovel's special super powers below. Then design our superhero's costume by colouring them in. Don't forget to give them an amazing superhero name in the badge space!

Our rocker shovel's super powers are:

- Speed – can shovel coal faster than the strongest miner
- Super vision- can work in the pitch black of underground
- Power – it's powerful scoop hurls coal from front to back

# Help! We need YOU to create a superhero!

We think that mining machines are pretty super! Can you help us transform one of them into a superhero character? First discover the trepanner's special super powers below. Then design our superhero's costume by colouring them in. Don't forget to give them an amazing superhero name in the badge space!

Our trepanner's super powers are:

- **Energy:** it cuts through walls of rock for hours at a time
- **Strength:** it slices through rock like coring an apple
- **Invincibility:** even coal is no match for it's metal trepanning wheel
