

# Help Reggie follow the coal to London!

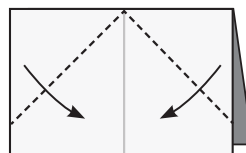

Follow the instructions to fold your paper into a coal boat fit for a rat. When you have created your boat, colour it in and sign it.

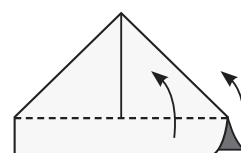

1. Fold your paper in half lengthways

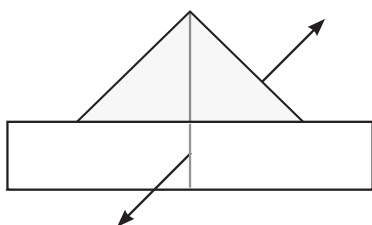

2. Open back out, and fold your paper in half widthways

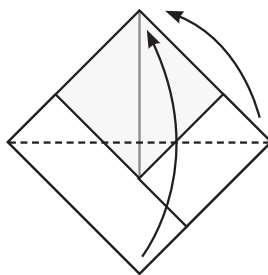

3. Bring corners in to centre line.

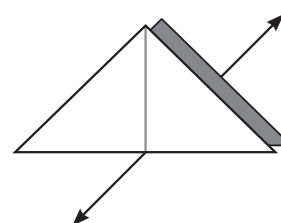

4. Fold top layer upwards and do the same at the back, crease well.

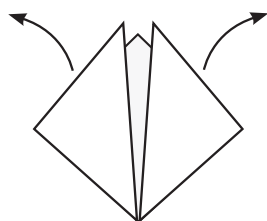

5. Pull the sides out and flatten.

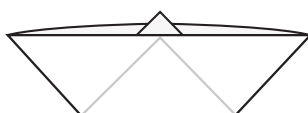

6. Fold front layer up to top, then do the same at the back.

7. Pull the sides apart and flatten.

8. Gently pull the top parts of the model outwards, making a boat shape.

9. Flatten well to crease all folds. Then open out slightly, forming a boat shape. You then have a finished boat to decorate for Reggie to sail to London.
