

NATIONAL COAL MINING MUSEUM

Help us make Halloween extra
spooktacular for families by
sponsoring seasonal treats.

Wednesday 28 – Saturday 31 October

This October half term, the National Coal Mining Museum for England will host a family-friendly Halloween trail, where children receive a sweet treat for completing the challenge.

We're inviting local businesses to help us spread a little Halloween magic by contributing towards the sweet treats or sponsoring a prize for the best dressed costume.

Support Options:

Every treat goes straight to a child, helping us create a magical and inclusive celebration.

Other Ways to Support:

Dino Day 13 September 2026

Help us make Dino Day even more roarsome by sponsoring a prize for our Best Dressed competition and dino trail.

A contribution of £30 could help provide prizes for children and families taking part in the day's activities.

Paws At The Pit 19 September 2026

Support our Best In Show competition by sponsoring prizes for our four-legged visitors. A contribution of £25 could help us reward some of the fantastic dogs taking part on the day.

You can also sponsor our Doggy Play Area with a contribution of £50 to cover the activities.
