

NATIONAL COAL MINING MUSEUM

Help us make Halloween extra
spooktacular for families by
sponsoring seasonal treats.

Wednesday 28 – Saturday 31 October 2026

This October half term, the National Coal Mining Museum for England will host a family-friendly Halloween trail, where children receive a sweet treat for completing the challenge.

We're inviting local companies to help us spread a little Halloween magic by contributing towards the sweet treats or sponsoring a prize for the best dressed costume.

Support Options:

Every treat goes straight to a child, helping us create a magical and inclusive celebration.
