

Leave a Gift in Your Will

Help us keep the coal mining story alive.

For over two centuries, coal mining shaped our communities, powered the nation and defined our identity. The National Coal Mining Museum preserves these stories of courage, resilience and innovation.

By leaving a gift in your Will, you can help ensure this history is never forgotten and future generations understand the role coal played in shaping modern Britain.

Your Legacy, Their Future

What your support could achieve.

Legacy gifts help us:

- Maintain and restore our historic buildings and galleries.
- Expand education programmes.
- Care for our collections of tools, documents and personal stories.

Every gift helps safeguard our heritage for future generations.

Stories Worth Telling

Real lives. Real history. Real impact.

Our Museum is about more than objects, it's about people.

Your gift can help ensure their stories continue to be shared and remembered.

How To Leave A Gift

It's simpler than you might think.

We recommend speaking with a solicitor or professional adviser to ensure your wishes are accurately reflected in your Will.

You can leave:

- A share of your estate (residuary legacy)
- A fixed sum of money (pecuniary legacy)
- A specific item of value (please discuss this with our Collections team)

We understand that your Will is private. If you feel comfortable telling us you have included the Museum, we would love to thank you and discuss the impact your legacy could have.

If you wish to leave a gift to a specific project or department, please speak to us first so we can ensure your wishes can be fulfilled.
