## THE NATIONAL COAL MINING MUSEUM FOR ENGLAND

Dear Tour Operator

If you are a Coach/Travel Company looking to add somewhere a little different as part of your planned trips, then look no further than The National Coal Mining Museum for England.

The Museum is set in a beautiful rural location, and easily accessible from the M1 and M62 Motorways.

We would be delighted to welcome your guest with an offer of either a Full English Breakfast, a variety of luncheon menus or even Afternoon Tea! Depending on where you are heading, either of our menus could sit nicely within your schedule.

Tables can be reserved for your group in our bright and modern on-site café and we can even include a glass of wine or a bottle of Yorkshire lager for those wanting to quench their thirst!

We are proud to say all of our food is freshly prepared on site and locally sourced so your guests will be impressed with our Yorkshire offering! Our coffee is produced locally and we offer a variety of fruit infused teas along with our ever popular favourite, Yorkshire Tea!

Our Café Staff and Events Team are always happy to help and our aim is make your visitor experience here at the Museum a memorable one. We will also feed your driver\* for free, so rest assured he/she will be looked after.
